ISPM15 Update - plus a Special Offer!

Get [ISPM15 here](#)

Nigeria has just announced the implementation of ISPM15 as from September '04.

While this enforcement came out of the blue, users of Presswood Pallets can contact us for new certification for this destination.

Special Offer - Regrettably we had a customer go out of business for whom we had manufactured a special size pallet box. While we have attempted to find a home for these cases we have now got to the stage that the space in our warehouse is needed.

The case details are:

1560 x 980 x 960mm - inside dimensions

The case has A-C fluting with 440 Wet Strength Kraft inside and out.

We have about 240 of these, packed in 60's.

Before we send them for recycling we are pleased to offer these **free of charge** (if collected) on a first-come-first served basis. If you would like them delivered then we would be pleased to provide a quotation.
